© 1996-2015, Amazon.com, Inc. or its affiliates Our English to Kannada Translation Tool is powered by Google Translation API. You can start typing on the left-hand text area and then click on the "Translate" button. Our app then translates your English word, phrase, or sentence into Kannada. The translation only takes a few seconds and allows up to 500 characters to be translated in one request. Although this translation is not 100% accurate, you can get a basic idea and with few modifications, it can be pretty accurate. This translation software is evolving day by day and Google Engineers are working on it to make Kannada translation more intelligent and accurate. Hopefully, one day it will produce near to perfect translation! The Kannada language is widely spoken. More than 44 million people around the world speak this language. For the rest who cannot speak the Kannada Language, translating Kannada to English could be quite difficult. Many websites provide services to translate Kannada for a few dollars. While it is a good idea to pay for translating lots of text (such as books, articles) and for professional service, there is no point paying for commonly used sentences, greeting messages, and other informal use. For these purposes, this tool can be used.You can copy the translated text and then share them either on social media such as Facebook, Twitter or email it to your friends or family.If you have any suggestions, and the translated sentence is way too funny then please share with us on our Facebook page. Finally, don't forget to give us a like and share it on Facebook with your loved one. English sentence and phrase will be translated into Kannada meaning.For E.g. typing: "Kannada is spoken by the people of Karnataka in southwest India" will be translated into "ಕನ್ನಡವನ್ನು ನೈಋತ್ಯ ಭಾರತದ ಕರ್ನಾಟಕದ ಜನರು ಮಾತನಾಡುತ್ತಾರೆ"Use our translator tool as English to Kannada dictionary.
